OUR OFFERINGS

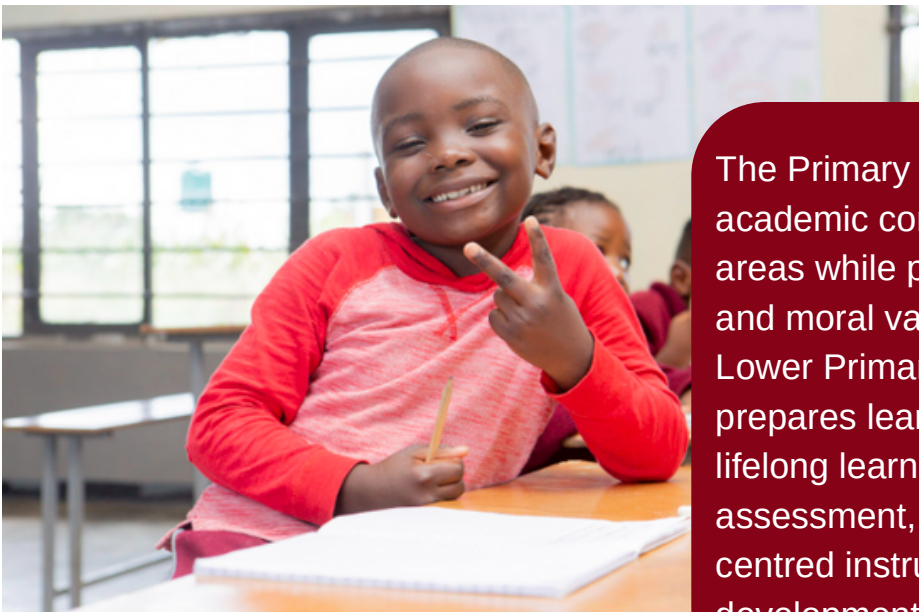

EARLY CHILDHOOD EDUCATION

Our Early Childhood Education programme focuses on nurturing young learners through play-based and guided learning in a safe and caring environment. The programme includes Baby Class, Middle Class, and Reception, and emphasizes social development, basic literacy and numeracy, creativity, and the formation of positive learning habits that lay a strong foundation for lifelong learning.

PRIMARY EDUCATION

The Primary Education program builds strong academic competence across key learning areas while promoting discipline, responsibility, and moral values. The programme includes Lower Primary and Upper Primary and prepares learners for examinations and lifelong learning through continuous assessment, practical activities, and learner-centred instruction that supports holistic development.

WHY CHOOSE US

01 OUR APPROACH

At Further West Primary School, we believe that every child learns differently. Our teaching approach combines structured academics with interactive learning, co-curricular activities, and continuous assessment. This ensures learners develop critical thinking, creativity, communication skills, and a lifelong love for learning.

02 OUR COMMITMENT

We are committed to partnering with parents, guardians, and the wider community to support each child's educational journey. Through dedicated teachers, supportive leadership, and a positive school culture, we strive to create an environment where every learner feels valued, motivated, and empowered to succeed.

03 OUR ACADEMIC PHILOSOPHY

Our academic program is designed to develop strong foundational skills, critical thinking, and a love for learning. We follow a structured curriculum supported by innovative teaching methods that encourage curiosity, participation, and understanding.
